

RTO	0452
Delivery Location	Victoria
Delivery Mode	Distance Education/Workplace Based Training

The following training is delivered with Victorian and Commonwealth funding to eligible students. Enrolling in government subsidised training may impact further access to subsidised training, for more information on eligibility requirements please go to at www.skills.vic.gov.au. Students who are ineligible for the Victorian funding are charged at Fee for Service rates.

The student tuition fees as published below are 'standard tuition fees' and subject to change given individual circumstances at enrolment.

Additional Fees	
Administration	\$150 (included in the tuition fee)
Workbooks	\$15 per workbook
Additional Workplace visit*	\$150 per visit

*Additional visit fees apply to students who request a workplace visit, or to Trainees who request visits in addition to those provided as part of their traineeship. Traineeship fees are indicative and based on a total of 4 required visits. This may be reduced through RPL or credit transfer arrangements and will be charged on a pro rata basis if fewer visits are required.

Regional locations are determined based on the 'Regional Postcodes Report' published by the Department of Education and Training. Metro fees apply for Traineeship students within 50 kms of Swan Hill.
